

Hoja "Costco – Manual Testing"

- Ve a través de los pasos y documenta los test cases y hallazgos que encuentres en el camino detalladamente.

User Story	Description	Expected result
US001	As a client of costco.com.mx, I would like to be able to filter by brand and/or price the available fragrances.	1.-The page should include a "Filtrar por" section with several fragrances brands listed. 2.-The page should include a "Precio" section with several options to filter the results. 3.-The client should be able to filter by brands using the "Filtrar por" option. The fragrances list should be updated automatically as soon as a brand is selected. 4.-The client should be able to filter by price, selecting fragrances with a price lower than 1000 and/or fragrances with a price higher or equal than 1000 and lower than 5000
